Method

Wash your hands and put on your apron.

Preheat the oven to 190 degrees and let it heat up while you make the cookie dough.

Add 315g flour, 1 teaspoon of baking soda, and 1 teaspoon of salt in a bowl and mix.

In another bowl, mix 225g soft butter, 150g of white sugar, 150g brown sugar and 2 teaspoons of vanilla until smooth and creamy.

Crack eggs into the creamy mixture and stir.

Slowly add the flour mix and mix everything together.

Add 150g of chocolate chips and mix again.

Scoop small balls of dough onto a baking tray.

Press 2 - 3 Cadbury's Mini Eggs on top of each ball of cookie dough.

Put the tray in the oven and bake for 8 - 9 minutes.

Carefully remove the cookies from the oven and let them cool down for 10 minutes.
